

Cleaning Solutions Tailored To Your Needs

Your top priority is taking care of your residents. That also means taking care of your staff, visitors and facility. Nobles can help you:

- ✓ Maintain high standards for cleaning
- ✓ Control costs
- ✓ Reduce risks to health and safety
- ✓ Improve sustainability

Nobles Innovations

From hard floor cleaning to outdoor sweeping, Nobles provides a total solution for keeping health care facilities bright and attractive. We offer a full range of cleaning equipment and technologies to meet multiple cleaning needs.

SPEED SCRUB® 300

WALK BEHIND SCRUBBER

Clean hard floor surfaces quickly and quietly with the Speed Scrub 300 Walk Behind Scrubber. Available with ec-H₂O NanoClean™ technology, its excellent water pickup leaves floors clean and dry to allow foot traffic within minutes. Choose from 17", 20", 24" disk or 20" cylindrical and 20" Orbital.

SCOUT™ 5

COMPACT BATTERY SWEEPER

Clean indoor and outdoor floors in a single pass with the Scout 5 Compact Battery Sweeper. TwinMax™ Sweeping Technology combines sweeping methods to capture large and small debris at once.

SPEEDGLEAM® 5/ SPEEDGLEAM® 7

WALK BEHIND BATTERY BURNISHERS

Achieve high performance propane-like gloss results with the Speed Glean 5 and Speed Glean 7 Walk Behind Battery Burnishers. Machines offer low dBA sound levels and are available with optional HEPA active air filtration. Available path widths in 20", 24", or 27".

SPEED EX™

EXTRACTOR

Clean in hard-to-reach areas with the Speed EX Deep Cleaning Carpet Extractor's compact design. Ensure quiet operation and minimal disruption with low 69 dBA sound level. Cleaning path width 15".

SPEED-SQ 14

ORBITAL FLOOR MACHINE

Remove floor finishes quickly with the Speed-SQ 14 Orbital Floor Machine. It features a compact design that fits in restricted spaces, and vibration isolators that improve operator comfort and productivity.

ASPEN™-6/ ASPEN™-10

BACKPACK VACUUMS

Comfortably clean anywhere with the Aspen-6 and Aspen-10 ergonomic, lightweight designs and standard HEPA 4-stage filtration.

ORBIO®

OS3 SYSTEM

Generates effective cleaning and disinfecting/sanitizing solutions on-site. Small enough to fit into most janitorial closets.

V-SMU-14

SINGLE MOTOR VACUUM

Durable design delivers CRI Silver certified performance and reliable operation at an affordable price.

STRIVE®

COMPACT

INTERIM EXTRACTOR

Clean carpets quickly and effectively with the Strive Compact Interim Extractor. Featuring exclusive ReadySpace® technology.

ec-H2O™ technology, ec-H2O NanoClean™ technology and Orbio® MultiSurface Cleaner are NFSI Certified, registered by NSF International and may contribute to LEED.

We also offer 11 carpet extractors and vacuums carrying the CRI Seal of Approval.
