FALCON™ 2800 PLUS

Automatic cord-electric extractor with surface and deep cleaning modes

- 
- Clean medium to large areas quickly with self-propelled cleaning action
 - Perfectly groom “just cleaned” carpets with unique rear scrub deck design
 - Easily clean stubborn spots and high-traffic areas with on-board pre-treat wand

Built to be tough.
Made to be easy.

Increased ease-of-use with rear-mounted extractor head and push design

Start cleaning in minutes

Tackle medium to large jobs quickly with no-nonsense controls, dual (interim and restoration) cleaning modes, and self-propelled operation.

Get tough on dirt

Extract stubborn soils with powerful 1,200 rpm brush speed and six high-pressure jets.

You can see the clean!

Give carpets the finishing touch with a rear-mounted scrub deck that grooms the carpet.

Engineered by Tennant Company, the Falcon 2800 Plus extractor is the smart, reliable choice for your no-nonsense cleaning needs.
